FIG. 1D

09916516-101501

The image shows a graphical user interface window titled "BEAN GRINDER". The window has a standard title bar with a coffee cup icon on the left and minimize, maximize, and close buttons on the right. Below the title bar, the text "BEAN GRINDER" is displayed on the left, and an "EXIT" button is on the right. The main area of the window contains three input fields: "DATABASE URL:" with the value "jdbc:oracle:thin:@spock:1521:ilgold", "DATABASE USER:" with the value "infolink", and "DATABASE PASSWORD:" with the value "infolink". Below these fields is a large rectangular button labeled "REFRESH SELECTION LIST". At the bottom of the window is a navigation bar with four buttons: "PACKAGE INFO", "DATABASE INFO", "EJB JAR", and "SILVER STREAM".

FIG. 1E

00916516-101501

The image shows a graphical user interface window titled "BEAN GRINDER". The window has a standard Windows-style title bar with a coffee cup icon on the left and minimize, maximize, and close buttons on the right. Below the title bar, the text "BEAN GRINDER" is displayed on the left, and an "EXIT" button is on the right. The main area of the window contains two labels with corresponding text input fields: "EJB JAR PATH:" followed by a field containing "[:\\staff\\maigen\\jars\\", and "EJB JAR NAME:" followed by a field containing "planning". At the bottom of the window, there is a horizontal bar with four buttons: "PACKAGE INFO", "DATABASE INFO", "EJB JAR", and "SILVER STREAM".

TOSTOT-9T59T660

The image shows a graphical user interface window titled "BEAN GRINDER". The window has a standard Windows-style title bar with a minimize button, a maximize button, and a close button. Below the title bar, the text "BEAN GRINDER" is displayed on the left, and an "EXIT" button is on the right. The main area of the window contains three configuration fields, each with a label and a text input box:

- SILVERSTREAM TARGET SERVER:
- SILVERSTREAM TARGET DATABASE:
- SILVERSTREAM INSTALLED HOME:

At the bottom of the window, there is a horizontal bar with four tabs: "PACKAGE INFO", "DATABASE INFO", "EJB JAR", and "SILVER STREAM". The "PACKAGE INFO" tab is currently selected.
